Dear Members,

Join us at the 8th Annual Alumni Meeting of the International Dental Implant Association (IDIA). The IDIA provides dynamic and practical educational experiences to our worldwide membership. In addition to professional and personal growth, the IDIA is a dynamic forum for networking and fellowship.

Your Annual Meeting is a unique opportunity for you to learn from and have conversations with experts in the fields of implant surgery, implant restoration, periodontics, dental technology and marketing. With Los Angeles as our setting, your family, dental team and you will soak up the energy and enthusiasm of sunny Southern California...not to mention the dining, shopping, entertainment, and sightseeing in Tinseltown.

Thank you for your continued support. I look forward to seeing you in sunny Southern California in March of 2014.

Sincerely,  
Arun K. Garg, DMD
