Total of 16 CE credits

Dear Friends and Colleagues,

The American Dental Implant Association provides interesting and dynamic educational experiences for dental colleagues in an environment that encourages and supports personal friendships and fellowship. This meeting will allow you the opportunity to learn from experts and visionaries in the fields of surgery, periodontics, prosthetics, dental technology, and marketing.

Upon completion of this symposium, participants will be able to understand the cutting-edge surgical techniques, prosthetic techniques, graft materials and new products available in the field of implant dentistry!

We extend a warm welcome to all participants, their families and team members, and thank you for your support. This program will provide you and your team the opportunity to network, exchange information, find solutions, and socialize with colleagues, friends, and their families from around the country and around the world.

Our Team will be there to assist you further in your implant education and for you to experience Miami's superb entertainment, nightclubs, dining, shopping, and sightseeing. Prepare for a fascinating, challenging, educational, and thoroughly enjoyable experience! We look forward to welcoming each and every one of you!

*Sincerely,
Arun K. Garg, D.M.D.*
